

# Greater Johnstown Saddle Club 60th Annual Horse Show July 19, 2020

*Dear Sir or Madam,*

*We're asking for your support for our 60th annual horse show. The annual horse show is a community event with food and activities for spectators, as well as a fund raiser for our club.*

*Our club has been active in encouraging equine events and participation for decades. Our purpose is to foster safe equestrian activities, to encourage good horsemanship, proper conduct among riders, humane handling and care of horses, and promote education in all aspects of horse ownership.*
